Good morning LA San Team,

Happy Friday!

Would you mind sending me the completed photos for this location?

Thank you!

Good morning LA San Teams and UHRC,

Hope you're all very well this Wednesday!

Clean up was an amazing success yesterday at this location, but I want to ensure the final piece is completed as soon as possible.

1) Large Illegal Dumping - Behind 7561 Woodman Pl (photos attached).

- I have been told by EC Officer Cook that there are no risks of HAZMAT materials, but in order to ensure there is little dust during clean up, Clean Harbors will need a Hudson Sprayer on the day of clean up.

There were so many things to clean up yesterday that this was not collected.

LA SAN/UHRC: Can you please have an ID Team get to this location as soon as possible for the rest of collection? I've attached photos of the pile again. Please send photos after completion.

Thank you!

Good morning CSLA Teams,

Happy Wednesday! Hope you're all well.

We only have one location prioritized for **CSLA on Tuesday 9/10:**

Auth#190610033 - BEHIND 7561-69 Woodman Pl, 91405 (Raymer Street)
(PENDING LAHSA SIGNATURE)

LA San Team: There are 2 large components that need to be addressed on Raymer Street during this CSLA day. It will be crucial to ensure everyone involved (from those submitting orders to those posting to boots on the ground on the day of clean up) are aware of these specific concerns and plans for clean up.

1) Large Illegal Dumping - Behind 7561 Woodman Pl (photos attached).

- I have been told by EC Officer Cook that there are no risks of HAZMAT materials, but in order to ensure there is little dust during clean up, Clean Harbors will need a Hudson Sprayer on the day of clean up.

2) Illegal Structure on Public ROW - Behind 7561 Woodman Pl (photos attached).

- I have spoken with the property owner. His business did not create the structure, it is not attached to his building, and the homeless have

used it to store items behind his building. Our office would like LA San to post it for removal and clean up, as it is an illegal structure created for a homeless encampment.

I've also attached a highlighted image of the grid requested for this CSLA location. The encampments have been on Raymer Street, but do include a large area of Woodman Place.

Officer Cook: Can you please advise on whether or not LA San can post the structure for removal on our CSLA day?

Thank you all for your help!

Please feel free to call me if there are any questions or concerns.
